

KERN OBL 155

High-quality phase contrast microscope - specially pre-configured with a range of options for flexible expansion

Measuring system

Objective: 4x / 10x / 40x / 100x

Power supply

Input voltage: 100 - 240 V

n/a: EURO

Category

Brand: Optics

Packaging & shipping

Delivery: 24 h

Dimensions packaging (WxDxH): 420 x 275 x 450 mm

Gross weight: 7,500 kg

Net weight: 6,500 kg

Shipping method: Parcel service

Construction

Dimensions (WxDxH): 394 x 185 x 377 mm

Eye distance (max): 75

Eye distance (min): 50

Optical system: Infinity

Rotation of tube 360°: yes

Tube: Binocular

Tube angle: 30°
