

# KERN OBN158

The powerful, fully-equipped phase contrast microscope with varied options

**KERN**<sup>®</sup>

## Measuring system

Objective: 4x / 10x / 20x / 40x / 100x

## Power supply

Input voltage: 100 - 240 V

n/a: EURO

## Category

Brand: Optics

## Packaging & shipping

Delivery: 24 h

Dimensions packaging (WxDxH): 570 x 310 x 410 mm

Gross weight: 12 kg

Net weight: 10 kg

Shipping method: Parcel service

## Construction

Dimensions (WxDxH): 390 x 200 x 400 mm

Eye distance (max): 75

Eye distance (min): 50

Optical system: Infinity

Rotation of tube 360°: yes

Tube: Trinocular

Tube angle: 30°
