

# KERN OCM 161

The inverted biological laboratory microscope – also with fluorescence

**KERN**<sup>®</sup>

## Measuring system

Objective: 10x / 20x / 40x

## Power supply

Input voltage: 100 - 240 V

n/a: EURO

## Category

Brand: Optics

## Packaging & shipping

Delivery: 24 h

Dimensions packaging (WxDxH): 660 x 590 x 325 mm

Gross weight: 18 kg

Net weight: 13,500 kg

Shipping method: Parcel service

## Construction

Dimensions (WxDxH): 599 x 304 x 530 mm

Eye distance (max): 76

Eye distance (min): 48

Optical system: Infinity

Tube: Trinocular

Tube angle: 45°
