

# KERN OLM171

The inverted metallurgical microscope for professional applications

## Measuring system

Objective: 5x / 10x / 20x / 50x

## Power supply

Input voltage: 100 - 240 V

n/a: EURO

## Category

Brand: Optics

## Packaging & shipping

Delivery: 24 h

Dimensions packaging (WxDxH): 660 x 590 x 325 mm

Gross weight: 17 kg

Net weight: 12,500 kg

Shipping method: Parcel service

## Construction

Dimensions (WxDxH): 747 x 271 x 379 mm

Eye distance (max): 76

Eye distance (min): 48

Optical system: Infinity

Tube: Trinocular

Tube angle: 30°
